*A coming-of-age movie produced to commemorate the centennial of Inokashira Park, Tokyo in 2017.*

**Haru**, a high school girl comes to Kichijoji looking for Sachiko, the woman mentioned in a love letter of Haru's late father. Currently living at Sachiko's address is Jun, a female university student who loves playing guitar. Jun

becomes interested in Haru's cause, and together they start to search for Sachiko's family house where they meet Sachiko's grandson, **Tokio**. He tells them that Sachiko passed away just recently. Later, Tokio finds a reel-to-reel tape in Sachiko's belongings. Apparently, Shinpei and Sachiko used to play music together, and the tape contains a song sung by the couple.
