J-Film: Let's Go, JETS!

From Small Town Girls to U.S. Champions?!

Film adaptation based on the true story of the [Fukui Commercial High School](#)

cheerleading team who will be performing at [Carnegie Hall, New York, December 26th!](#)

*From Hayato Kawai, director of **MY love STORY!!***

Hikari Tomonaga enrolls at Fukui Chuo High School, and joins its cheer dance club for the sole reason of cheering on a boy she has known from their junior high days. However, the club's coach, female teacher **Kaoruko Saotome**, is a harsh and no-nonsense task master who suddenly declares: "Our aim is to become U.S. champions! No fringes or boyfriends allowed!" As older students quickly quit the club, the presence of Hikari's teammate **Ayano** encourages her to decide to stick with cheer dance for the time being. Will the club achieve their goal of becoming U.S. champions? These ordinary schoolgirls set off on a long journey toward making their dream a reality.
