J-Film:
Neko Atsume House

Based on the hit mobile game "Neko Atsume: Kitty Collector"!

Masaru is in a slump. After winning a rookie author award at a young age, his ability to write has gone downhill. In a misguided attempt to cheer him up, his editor **Michiru** ends up pushing Masaru further into his misery.

One night, Masaru meets a strange fortune teller who "advises" him to move to the country side. Although the change of scenery seems promising for his career he quickly discovers that there is still something missing. One day, as he sits in his yard contemplating life, a cat saunters into view. The writer and the feline stare at each other until the cat bounds away. Wanting to entice the cat back, Masaru goes to a pet shop and begins building a strange yard...
