*Oku Hiroya's sci-fi manga is turned into a live-action film following its television anime adaptation. A middle-aged man and a high school student whose bodies have been transformed into machines clash, each with their own motives.*

**Inuyashiki (Kinashi Noritake)** is an unremarkable, over-the-hill company man who one day meets with an unusual accident. He discovers he has been transformed into an elaborate cyborg with alien technology. Inuyashiki opts to use his newly gained superhuman powers for good. However, **Shishigami (Sato Takeru)**, a high school student involved in the same accident, begins using the powers he's gained to exact revenge on society.

*Starring Kinashi Noritake, Sato Takeru, Hongo Kanata*

In Japanese with English subtitles | Not Rated | 2018 | 127 min | Directed by Sato Shinsuke

"An anti-ageist sci-fi fantasy that balances thrilling action with endearing characters"  
— Maggie Lee, *Variety*

"It's a bird, it's a plane ... it's [a] salaryman!"  
— Mark Schilling, *The Japan Times*

Presented with Japan Commerce Association of Washington, D.C., Inc.
